

Clinical Advisor

Mind HK is a fast-paced, quick-growing mental health charity, with a vision to ensure that no one in Hong Kong has to face a mental health problem alone. Since our launch in November 2017, we have trained over 25,000 people in mental health awareness, have an average of 50,000 users per month on our website, and regularly engage with hundreds of thousands of individuals from the local community through our campaigns.

Mind HK is looking for an experienced clinician to support the clinical aspects of different Mind HK programmes. You will work closely with the Head of Programme and other clinical Advisors, and a range of team members.

Job Responsibilities:

- Develop and draft clinical related materials, including manualized intervention protocols, articles and curriculum;
- Offer professional consultations and advice to the team regarding clinical service and mental health related issues;
- Provide public and internal training ;
- Work with academic institutions to conduct mental health related research;
- Provide and co-ordinating the supervision of research staff/ practitioners/ engagement officers;
- Provide supervision and line management of clinical advisors working on the projects;
- Represent the clinical aspects of the projects at committee meetings and public events, for example deliver workshop, talks, attend media interviews;
- Work with management and project teams to ensure the key deliverables and advance long-term strategy;
- Respond to ad-hoc requests and other administrative duties when needed.

We are looking for someone:

- Recognized master degree of above in clinical psychology;
- Experience of working in primary care or mental health services;
- Training and clinical experience in acceptance and commitment therapies or cognitive behavioral therapies is preferred;
- Experience of developing and managing of clinical services;
- Experience of conducting training and academic research;
- Excellent verbal and written bilingual communication skills;
- Excellent interpersonal skills and ability to work in a team;
- Agility, organised, and responsiveness

Terms:

Part Time (3 - 4 days per week); three years contract, renewal subject to review at contract end.

Salary and Benefits:

The salary for this position is comparable to Government MPS depending on the level of experience and competencies . Annual increment is based on our salary structure.

Mind HK provides 7-hour work days (flexible between allocated times), 5 days per week (FT staff). In addition, employees receive up to 22 days of annual leave, plus quarterly mental health days, as well as contribution to the Mandatory Provident Fund. Our staff benefits also include clinical staff regular check-ins and staff wellbeing activities.

We are a learning organisation and offer development and well-being opportunities throughout the year, including training programs. Finally, we have a hybrid working model and remote working policy in place, allowing flexibility in working locations within Hong Kong, and outside Hong Kong for certain periods. Please note that all benefits are based on current company policies and may be updated from time to time.

Mind HK is an equal opportunity employer, and strives to create a diverse and inclusive workplace that values and respects the unique contributions of each team member, and we welcome candidates from all backgrounds and walks of life to apply for our open positions. Should you require any support or accommodations during the interview process, please do not hesitate to specify your needs in your application or reach out to us directly. We are committed to ensuring a fair and accessible recruitment process for all candidates.

Application:

To apply for this position, please email hr@mind.org.hk with a brief statement of interest and motivation, CV, dates of availability, salary expectation, and level of proficiency with written and spoken Chinese (Cantonese: required) and English.
